PROFESSIONAL EXPERIENCE

MERN Stack Intern

Aug 2023 - Jan 2024

Enthusiastic and detail-oriented intern with practical skills in React.js and Node.js. Eager to contribute to innovative projects, apply classroom knowledge, and gain hands-on experience in a collaborative development environment.

PERSONAL PROJECTS

Translator Website - REST API

Aug 2023 - Sep 2023

I excel in React.js, utilizing its component-based architecture for responsive UIs. Proven skills in integrating external REST APIs for language translation, showcasing strong API integration and data retrieval abilities.

Shopify Platform

Oct 2023 - Nov 2023

UI - User side & Admin side

Created user-friendly React components for Shopify's frontend (catalogs, carts, profiles, payments) with useContext for state. Admin side efficiently managed Electronics store data, allowing direct actions (add, modify, remove, review) for a seamless experience.

Backend / DataBase Server- Node.js, Express.js & MongoDB

Dec 2023 - Jan 2023

Crafted a resilient e-commerce backend using Node.js and Express, implementing RESTful APIs for user authentication, product management, and order processing. Project data is stored in MongoDB, providing a secure and efficient database solution.
